## FIELD QUALITY (reflects ratings done by Cedarburg Soccer and the City of Cedarburg)

The rating system for the ratings submitted by Cedarburg Soccer were standardized to avoid squewing of data by reponses of "5" or "6". Those answers of "6" or "Not available but is needed," were replaced by a "2" because that value means there is upgrade necessary. The numbers are bolded so you can identify when they were changed. Responces of "5" were deleted as these facilities were not needed or not applicable.
