

Cedarburg Little League Umpires Needed:

The Town of Cedarburg is looking for baseball and softball umpires to cover Little League baseball and softball games this upcoming season. Softball games are tentatively set to begin the first full week of May and will be played Monday-Thursday nights, and Saturday during the day at the Little League fields located out by Five Corners or at Webster Field within the Cedarburg school district. Baseball games are set to begin in late May/early June and will be played Monday-Thursday nights and Saturday afternoons at the same fields.

Applicants must be at least 14 years of age. Pay will range from \$15-\$20 per game. Employment applications are available at the Cedarburg Town Hall, 1293 Washington Avenue, Cedarburg, WI 53012, or on the Town's website, www.town.cedarburg.wi.us. Little League International also requires the completion of a volunteer application in order for the Town to run mandatory background checks on all umpires, even though umpires ARE paid. This form is part of the Town application on the website.

Umpire training will be provided. The Town will provide a face mask, shin guards, an umpire pad and a pitch counter. Umpires would not need to provide their own equipment.

Application deadline is February 28, 2017.
