PESTICIDES / HERBICIDES / FUNGICIDES / DIOXINS / FERTERLIZERS	\$2.65/POUND

Note: Port Washington Residents will be charged for Latex paint disposal

Alternative Disposal Recommendations

Latex or Water Based Paint.

If unusable, remove lid and place in a well-ventilated area. After contents have solidified, replace lid and place in the trash. Paint can be dried more quickly by pouring 1/2-inch layer into a cardboard box lined with plastic or newspaper or into a box filled with sand, vermiculite or kitty litter.

Drain Oil.

Used motor oil may be recycled. Bring to the Ozaukee County Highway Department located in Port Washington at 410 South Spring Street or contact your local municipality for further information.

Batteries.

Auto batteries may be traded in or taken to the local battery retailer for recycling. Lead acid batteries may be taken to a battery retailer for recycling. Household batteries may be disposed of in household garbage.

Windshield Washer Solution, Paint Brush Cleaners Containing TSP, Rust Removers, Cleaners Containing Ammonia, Chlorine Bleach, Expired Medical Prescriptions, Rubbing Alcohol, Non-Flammable Cosmetics, Non-Flammable Nail Polish Remover, Tub/Tile and Shower Cleaners, Disinfectants.

Small quantities may be flushed down the drain with lots of water.

Oven Cleaner, Drain Openers, Toilet Bowl Cleaners Containing Sodium Hydroxide or Lye.

If connected to a municipal sewage system, flush down the drain with lots of water. Rinse the empty container before placing in the trash and be careful not to get the rinse water on your hands.

Hearing Aid Batteries

These often contain mercury or silver. After a number have accumulated, drop them off at a hospital or a hearing aid center for recycling.

Ammunition or Explosives

Deliver to your local police or fire station or county sheriff's department.

Computers

The Volunteer Center of Ozaukee County holds two used computer collections a year. Once in the Spring and another in the Fall. For additional information, call 262-377-1616.

OTHER REMINDERS:

NEVER dump leftover products in a backyard or on the ground.

NEVER reuse pesticide or other chemical containers for other purposes.

NEVER burn or bury leftover products.

NEVER mix chemical wastes.

ALWAYS read product labels and follow use directions.

ALWAYS keep these products out of the reach of children.

TRY sharing unused product with others who may have a need.

TRY buying just enough products to do the job.

TRY substituting a non-hazardous product.
