
Highway 60 & Washington Ave. construction to start August 9th

The Wisconsin Department of Transportation is slated to begin construction work on State Highway 60 in the Town of Cedarburg on August 9. Road closures during the project will be limited to one lane at a time. The project involves resurfacing a two-mile stretch of the highway from First Avenue in Grafton west to the Five Corners intersection in the Town and installing traffic signals and turn lanes at the Keup Lane intersection. The project is slated to be completed by the week of October 25. The first phase of the project, which involves the westbound lanes of Highway 60, is expected to be completed by September 13. Work on the eastbound lanes will begin immediately thereafter and continue until the project is finished.

Washington Avenue south of the Five Corners intersection to Sycamore Drive will also be resurfaced. Both Washington Avenue and Highway 60 will remain open to through traffic during the project. One lane in each direction also will remain open on Keup Road.

Access for local properties will be maintained except for the minimum time necessary to complete construction in the immediate vicinity of the property. No driveway approach will be closed or removed from service without prior notice being given to the occupants of the property, allowing them to move their vehicles before the driveway is closed. Access for emergency vehicles to all properties shall be maintained at all times.

Please slow down in the construction zones. Also, please warn your children of the dangers of a construction zone and keep them clear of the area. If you have questions or requests, please contact the DOT's project leader for this project: Dick Nelson (1042 7th Avenue, Grafton, WI 53024) at 262-377-2719. Mr. Nelson is on site: 7 a.m. to 3 p.m.; later by appointment.

Flag Football Registration Deadline Approaches! 10 & 11 Year-Olds Needed!

The Cedarburg Flag Football League registration **deadline is August 13th** ([click here](#) to go to the website and print the registration form). Over **110 kids** have already registered! We have enough kids for our own Pee Wee (6-7 yrs.) and College (8-9 yrs.) leagues, but are in need of **10-11 year olds** to have our own league for this age group. We currently have two teams for this age group, and could use at least eight more 10-11 year olds for a league of this age group in order to have an enjoyable game play experience during the season.

Several features will make Cedarburg Flag Football excel in comparison to other local programs. Most notably, the Town will be partnering with the Concordia University football team in 2010. Flag football players will take part in several experiences along with the Concordia University Football program including:

- Practicing with Concordia football players.
- Flag football players may attend a few Concordia practices and attend a Concordia team meeting.
- Flag football players may go out onto the field during pre-game warm-up before a Concordia home game.

Town coaches may attend Concordia practices to pick up coaching skills, and useful practice drills. Register today by coming in to Town Hall Monday-Friday 8-4:30pm, or mail in the registration form with a check or cash!
